NOTES:

- Unless indicated otherwise, all dates indicated are for calendar-year taxpayers.
- The above analysis does not cover each state's partnership extension deadlines or state filing deadlines for any other type of entity.
- The following states do NOT currently require the filing of a partnership tax return — Maine, Nevada, South Dakota, Washington and Wyoming.
- For those states that indicate "legislative change possible," the state due date is fixed by law and will occur later than the federal due date. Those states may wish to consider legislative changes to maintain conformity with the federal due date.
